CENTURY®

DESIGN ELEMENTS

Featured design elements from Bunny Williams Outdoor for Century:

- Built and finished like quality indoor furniture, but designed and engineered to perform beautifully for full-time outdoor exposure with routine maintenance.
- Hand Woven Resin in two unique weave patterns features a subtle two-tone warm brown color way called Truffle.
- Frames are constructed of powder coated aluminum for durability.
- Solid raw teak is used on the occasional pieces, Garden Bench and Garden Chair.
- Powder coated aluminum tops with a zinc finish on the cocktail table, side table, console table and square dining table.
- Century's innovative Driluxe cushions on all seating are constructed of water-repellent cover surrounding a high-resiliency foam core and wrapped with 100% polyester fiber, which is compliant with CAL 117 flame retardant standards.
- A stylish selection of fabrics all selected by Bunny Williams to complement her designs are woven from 100% solution-dyed, UV stable acrylic fibers that resist fading, deterioration, and mildew.

The Bunny Williams Outdoor Collection for Century exudes the gracious and elegant lifestyle for which Bunny Williams is renowned. With her modern vision, sense of history, and confidence to take the unexpected path, Bunny Williams creates an outdoor collection that is classic, but not at all predictable.

Century Furniture represents a true benchmark in fine furnishings for residential, contract and hospitality. As a natural extension of that achievement, the Bunny Williams Outdoor Collection for Century brings a new level of quality and sophistication to leisure furniture for exteriors and casual, high-use interior areas.

The Bunny Williams Outdoor Collection for Century allows the creation of eclectic and gathered rooms for the outdoor. With a mixture of materials from raw teak, zinc finishes, metals, and synthetic wovens, the pieces come together in settings that feel at once comfortable and collected. The look is unique, yet familiar, stylish, yet classic.

Born in Charlottesville, VA, Williams' decorating DNA combines her upbringing and appreciation for gracious Southern living, with her hands-on training at the venerable firms of Stair & Co. Antiques and Parish Hadley Inc. Her knowledge of the decorative arts and well honed skills as a designer has kept clients knocking on her door for almost 40 years. Today her work is regularly featured in top design magazines around the world, in newspapers, on television, in film, and on a variety of websites and blogs.
