Montserrat Club

With its jewel blue waters and white sand beaches, the island of Montserrat has captured the imagination since Columbus first discovered it in the fourteen hundreds. It is from this island rich with beauty and history that we draw our inspiration for Montserrat Club, a sophisticated yet casual bedroom collection. A fresh interpretation of classic French designs, the collection exudes a modern refinement ideal for today's more transitional lifestyles.

Wire brushed distressing and a washed, linen finish lend sun drenched appeal while raffia accents, dramatic turnings and a patina hardware give Montserrat Club casual sophistication.
